Superior energy efficiency and minimal maintenance. **Introducing the Safedoors Diamond Range**

Our Diamond Range of composite doors are manufactured with a high insulation foam core, which delivers outstanding thermal performance, to keep the heat in and the cold out.

Durable glass reinforced plastic (GRP) skins provide a rich, authentic timber grain in a range of traditional and contemporary colours that are highly resistant to denting, peeling, flaking or fading.

High security locking and reinforced PVC-U frame comes as standard to protect you, your family and your home.
